Clay Mask

Features

Clear pores with our gentle Pore Control Mask, featuring mineral-rich Moroccan Lava Clay, Kaolin Clay, and Bentonite Clay.

DEEP-CLEANSING: This gentle yet effective mask helps remove whiteheads, blackheads, and dirt from pores without irritating the skin, helping to decrease acne and avoid breakouts.

PORE-TIGHTENING: By removing dead skin cells and declogging the pores, this clay formula also helps to tighten pores, improving sebum control and helping to achieve clear, radiant skin..

DERMATOLOGICALLY TESTED: Hypoallergenic facial mask for sensitive, acne-prone, aging and mature skin.

Clinically tested to improve pores in 4 categories: 16.08% reduction in number of pores detected, 22.71% reduction in pore volume, 18.47% reduction in pore size, and 15.12% reduction in pore depth.

Use up to 3 times a week for an intensive pore clarifying treatment.
