Features

Lightweight BB Cream (Blemish Balm Cream) for normal, dry, dehydrated, and sensitive skin types. Works as a light makeup foundation that provides buildable coverage and a smooth finish.

Perfect for both daily base makeup and skincare routines. Keeps your skin supple, hydrated, and moisturized.

POST-TREATMENT SKINCARE: In case you can't wear any skincare or makeup products after a skin treatment, our gentle, moisturizing BB Cream will help to even skin tone and cover imperfections, redness or hide blemishes. This silky formulation won't clog pores, setting like your skin's texture with a natural-looking radiance. With SPF40 PA+++, it also acts as a tinted sunscreen for the face, with broad spectrum UVA & UVB sun protection.

HYPOALLERGENIC SPF MOISTURIZER: Formulated with the most gentle skincare ingredients, our facial BB cream is more hygienic with the squeezable tube and spoid-type applicator and it helps create a great initial layer for makeup.

AESTHETIC BB CREAM H FORMULA

How to use

STEP 1.

Apply Aesthetic BB Cream H Formula on the face.

STEP 2.

Pat to absorb it into the skin with TROIAREUKE Healing Puff or TROIAREUKE Cushion puffs.

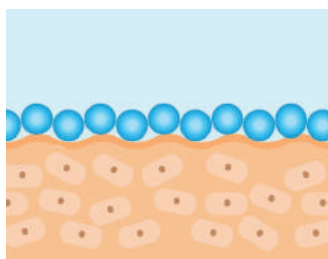

Professional Tips:

Use it as make-up base before concealer and foundation. This tinted moisturizer delivers a radiant glow, dewy, satin-like finish with a watery consistency.

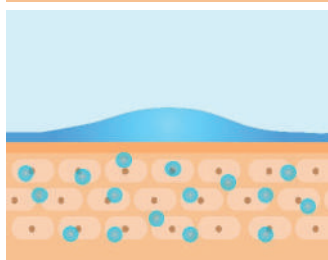

If you prefer a more matte complexion, apply powder to set the BB Cream. Ideal for dehydrated, dry, sensitive skin.

AESTHETIC BB CREAM H FORMULA

Recommended products to complete your daily routine.

- TROIAREUKE recommends using Healing Puff to apply Aesthetic BB Cream H Formula on the face, reducing the risk of contamination from the hands and irritation to the skin.
- TROIAREUKE H+ Cocktail can be used before applying Aesthetic BB Cream H Formula. Select the Ampoule Formula according to skin type, mix with the Skin Complex Formula toner base, shake and spray on the face in layers for additional moisture. To protect skin from UV rays, gently apply ACSEN UV Protector Essence.
