Recommended for

Damaged skin barrier
Acne/Trouble skin
Oily/Combination skin

Content

Jar
50ml
Cream

Features

Upgrade your skincare routine with 4 Rx Ampoule Creams. Made to be prescribed to specific skin concerns, they will help provide a customized solution for everyone's skin type and condition.

Guaiazulene (1100ppm): Guaiazulene is a derivative of Azulene and is a botanical essential oil, naturally blue in colour, extracted from the chamomile plant. Traditionally used as a herbal medicinal remedy, it is rich in antioxidants and has potent soothing and calming properties, which can help reduce irritation and enhance skin barrier function.

Oldenlandia Diffusa Extract: With cooling, anti-inflammatory properties, this natural ingredient helps to create a protective layer for the skin, retaining moisture. Rich in antioxidants and minerals that boost the healing process.

Probiotics: Similar to how probiotics treat and prevent problems in the stomach, topical versions are known for their calming effects on the skin by harnessing a surge of good bacteria to help cells flourish. When your skin barrier is happy, it can regulate oil production, stay hydrated, and fend off free radicals.

Hypoallergenic: Certified as safe in terms of allergies, and safely delivers moisture, suitable even for very sensitive skin.

T-RESCUE AMPOULE CREAM

Ingredient / Property	Hydration	Wrinkle Softening	Antioxidant	Skin Radiance	Anti-inflammatory	Skin Soothing
Guaiazulene			●		●	●
Oldenlandia Diffusa Extract			●		●	●
Niacinamide	●		●			●
Probiotics			●			●

Key Ingredients

Guaiazulene

- _ Gentle on the skin, non-irritating ingredient that is well tolerated even on hypersensitive skin when used as a coloring agent
- _ Effective in anti-inflammatory, anti-allergic, antispasmodic, antibacterial, antipyretic, ulcer-protective, and antifungal properties
- _ Fights inflammation and redness in sensitive, acne-prone skin as well (Less inflammation, less swelling, less redness)

Oldenlandia Diffusa Extract

- _ Clears and eliminates toxins
- _ Has antibacterial properties, reducing skin inflammation

Niacinamide

- _ Strongly inhibits the activity of B16 melanocytes, which has a whitening effect on the skin, combined with its antioxidant properties
- _ Treats hyperpigmentation
- _ Protects against oxidative stress
- _ Visibly evens skin tone and discoloration from sun damage

Probiotics

(Lactococcus Ferment, Lactobacillus Ferment, Bifida Ferment Filtrate)

- _ Skin environment improvement
- _ Strengthens the skin matrix by increasing microorganisms in skin
